

Karen is a student at Lee County High School. Karen loves working with young children and has extensive experience babysitting and being a role model to her younger siblings. She has an outgoing and kind personality that helps her create genuine relationships and connections with others. She has been involved in theatre arts and loves performing and acting, which makes her wonderful to perform as a princess! She loves improving and creating a fun environment for kids to be in, so she is so excited to work for Wishes and get to do just that!
