

Lauren is a student at Lee County High School. She is a talented dancer, and trains with both Suzanne's School of Classical Ballet and Triple Pointe Dance Academy. She loves to perform and interact with others. She has experience working with kids through babysitting and being a junior camp counselor at San Lee Park. She is so excited to work for Wishes Character Company because she has always loved princesses and already knows that seeing the smiles on childrens' faces at parties and events is going to be so amazing!
