

Yesenia Granados is a student at Lee County High School. Yesenia adores children and has extensive experience babysitting and being a leader and role model to younger children. She has an outgoing, bubbly personality that helps her create genuine relationships and connections with others. She is a hard worker, and has experience working in the restaurant environment. This has given her the ability to communicate well and provide excellent customer service. This will translate into her role as a character as she will ensure each child and guest at the events has the best possible experience! Yesenia is excited to work for Wishes because she has always wanted to be a princess and cannot wait to bring this magic to kids!
